## Borrowing from the Credit Union

## Which loan is right for me?

Lewisham Plus Credit Union is a member owned organisation, and aims to assist our members with loans where these are affordable for them.

The information in this leaflet provides a brief guide to help you decide which of our loan products may be right for your circumstances.

**We do not charge a set-up fee for loans. Interest is only charged on the outstanding balance of the loan, and loans are insured up to £5,000 against death at no cost to the member (subject to policy limits).**

**See our website [www.pluscu.co.uk](http://www.pluscu.co.uk) for full details of loan products, and for how to join the credit union, your rights and how to make a complaint.**

## Applying for a loan

Apply for a loan on-line using our website or pick up a loan application form or loan top-up form from one of our branches.

When you apply for a loan, you will need to provide proof of your **income, ID, and current address**. You will also need to bring proof of ID and address again when collecting the loan.

We accept Open Banking requests, but may ask for bank statements, evidence of debts or other information to inform our loan decision.

*Before your loan is issued we will ask you to provide evidence that you have made arrangements for regular electronic loan repayments.*

## SAVE AS YOU BORROW (SAYB) LOAN

This is our standard loan for members on low incomes or those with a poor credit record. There are two levels, depending on your net income, with **Level 1 from £50 to £1,200 and Level 2 from £800 to £2,000**.

Part of your agreed payment each week or month is added to a separate savings account. You can't touch the savings while you have a loan, but you will have saved **at least £180** when you finish paying back the loan.

## CREDIT UNION PERSONAL LOAN

Personal loans **up to £15,000** are offered to members with sufficient net income to afford the loan and a fair to good credit record.

We also offer a range of other loans for a number of different circumstances.

Our standard loan for members on low incomes, or those with a poor credit record, who also want to build up their savings at the same time as repaying the loan. Please see the representative examples overleaf.

You will make an agreed payment each week or month, and part of this is added to a special savings account. You can't touch the secured savings while you have a loan, but you will have saved **at least £180** as a lump sum by the time you have finished paying the loan back.

Net Income (1)	Product	Maximum initial loan	Maximum with Top-Up Loan	Interest Rate
Up to £800 per month	SAYB Level 1	<b>£750</b>	<b>£1,200</b>	3% per month 42.6% APR
Over £800 per month	SAYB Level 2	<b>£1,000</b>	<b>£2,000</b>	2% per month 26.8% APR

- For a Level 1 SAYB loan, we can initially lend up to £750, although first loans are usually less. For members on higher incomes who qualify for a Level 2 SAYB loan, we can initially lend from £800 to £1,000.
- Subject to a satisfactory repayment history, a top up loan can extend borrowing up to £1,200 for a Level 1 loan and up to £2,000 for Level 2.
- The loan term is 90 weeks or 24 months (Level 1) and 101 weeks or 26 months (Level 2). Fortnightly or 4-weekly repayments are also offered.
- Top-up loans may be considered after six months from the original loan date, and each three months thereafter, each subject to a satisfactory loan repayment history and no change to your circumstances.
- If you receive benefits, loan repayment by direct credit of a benefit will normally be required. You will need an Engage Account (Classic, Instant or Premium) or other bank account to access surplus cash.
- Your loan can be credited to your Engage Account, or transferred by BACS to your bank account. Loans are not normally issued in cash.
- You can make additional repayments to reduce the loan more quickly if desired, but must make your minimum payments on time. There is no charge for early repayment of the loan.

Paying more than the minimum repayment will clear your loan more quickly, and reduce the total amount you have to pay, but will also reduce the amount of savings you build up while you repay the loan.

**All loans are legally binding agreements. If you do not keep up with agreed repayments we will report that to credit reference agencies and we can take debt recovery actions. These may include transferring your savings to pay off your loan or using debt collectors, county court judgements and attachment of earnings, which may affect your credit rating and others in your household.**

Personal loans up to £15,000 are offered to members with enough income to afford the loan and a fair to good credit record. We do not usually require regular savings before a loan application can be made.
