Terms and conditions of the Loan

1. We agree to make the Loan to you, and you agree to borrow and repay the Loan by the Instalments set out in the Loan Details above which include repayment of the Total Amount Borrowed plus interest accruing and calculated daily on the outstanding balance of the Loan, at the Rate shown above. The amount of interest included in the Instalments assumes that those Instalments are paid in full on their due dates.
2. You must make your Instalment payments on time, but you may overpay loan instalments at any time without any early repayment charges. Overpayments will accelerate repayment of the Loan, so that you will pay less interest overall. However, the amount of each future Instalment will remain the same, with the result that you will repay the Loan more quickly.
3. If you make a payment which is less than the agreed Instalment and/or the payment is made later than the due date, additional interest will accrue and be payable at the Rate and the Final Payment Date will be extended accordingly. If this Loan includes and replaces an existing loan from us, you must pay any accrued but unpaid interest which is due on that existing loan when this Loan is advanced to you, which may also result in an extension of the Final Payment Date.
4. You have the right to settle the Loan and terminate this Agreement early at any time by paying in full the amount outstanding under this Agreement including any accrued interest. No charges, penalties or administrative fees will be payable by you in event of early repayment of this Loan.
5. You agree that, if this Loan includes and replaces an existing loan from us, this Agreement replaces any credit agreement signed by you in respect of that existing loan.
6. We will, on request, provide you with a written statement of the amounts which you have paid and the balance which remains outstanding under this Agreement.
7. You must inform us promptly of any change in your circumstances which may reduce your ability to repay the Loan, or of any change in your name, address or other contact details.
8. You agree that, without our consent, you will not withdraw any amount from the secured savings held in your Share 2/S2 account until the Loan is repaid in full (except that you may use those savings to enable you to repay the Loan in full and you may withdraw those savings to the extent that the balance of your Share 2/S2 account exceeds the outstanding balance of the Loan).
9. You agree that, without our consent, no amount of savings held by you in any Share account with us may be withdrawn if the Loan is in arrears.
10. If you:
 - a. have given any incomplete, misleading or untrue information about yourself or your circumstances or what the Loan will be used for, including in the Loan Application form; or
 - b. fail to pay any amount due to us under this Agreement; or
 - c. breach any of the terms of this Agreement; or
 - d. are subject to any bankruptcy petition or become bankrupt or propose or enter into a voluntary arrangement with your creditors or are unable to pay your debts as they become due or have any of your assets seized or attached or subjected to any similar process; or
 - e. display threatening or abusive behaviour towards our staff,we have the right to demand immediate repayment of all or part of the balance of the Loan outstanding, together with any accrued interest. We will give you written notice not less than seven days before taking any legal action to recover any such sum.
11. You acknowledge that if any Instalments are not paid on time or in full:
 - a. it will result in an increase in the total amount payable under this Agreement,
 - b. we will report the breach to credit reference agencies, and
 - c. you may find it more difficult to obtain credit in the future.

12. If you do not pay your agreed Instalments in full, and your arrears total at least three months' worth of Instalments, the Loan shall be in default. In this case, the whole of the amount outstanding under this Agreement, plus any accrued interest, will become immediately repayable, and we will be entitled to use any savings held by you in any Share account with us to repay the amount of the arrears or, at our discretion, the total amount outstanding under this Agreement.
13. You will be liable for:
 - a. any costs that we incur in recovering sums due under this Agreement, such as legal fees, the fees of any debt recovery agency, and/or court costs; and
 - b. our administration charge if we take legal proceedings to obtain repayment which shall be added to the outstanding balance of the Loan.
14. We will send you a statement of your account at least annually. We will also make transaction and balance information available on the secure members' area on our web site (request a PIN online for access) and in our app.
15. You must inform us promptly if your statement or account includes something you believe to be incorrect or not in accordance with your instructions. We will rectify our errors as soon as reasonably possible.
16. We may make searches about you at credit reference agencies. If you fail to make any repayment due under this Agreement, we may use the services of credit reference agencies to trace your whereabouts and/or to understand your financial circumstances to recover debts owed by you to us.
17. You acknowledge that, where the purpose of the Loan is to consolidate existing debts, we may elect to pay some or all of the Loan directly to your existing creditors as notified to us by you.
18. A copy of our complaints procedure is available on request.
19. You may not transfer or assign any of your rights or obligations under this Agreement without our prior written consent. We can transfer all or any of our rights and obligations under this Agreement to any other organisation, but this will not affect your rights under this Agreement.
20. This Agreement shall be governed by English law.
